

Recycling in Montgomery County is Easy!

Why recycle? Making new things from recycled materials saves money, energy, and the Earth's natural resources. It is so important that Montgomery County has made it easy for you and your family to recycle by providing a blue recycling bin and a blue mixed paper wheeled cart so your recyclable materials are picked up at the curb in front of your house on your recycling day.

There are five kinds of recyclables that can be picked up at your curb.

1 Commingled Materials

Glass Bottles and Jars

Steel/Tin and Aerosol Cans

Aluminum Cans and Foil Products

Plastic Bottles

Plastic Containers, Jars, Tubs and Lids

Plastic Flower Pots, Buckets and Pails

2 Mixed Paper

Clean, Dry White Paper, Colored Paper, and Cards

Newspapers

Magazines and Comic Books

Unwanted Mail and Envelopes

Coloring Books, Paperback Books, and Phone Books

Cardboard and Snack Food Boxes

Milk/Juice Cartons and Frozen Food Boxes

3 Scrap Metal

4 Yard Trim

5 Christmas Trees and Wreaths
